

We would like to take this opportunity to tell you that this years Barbara Bell-Kelly Memorial Golf Outing will benefit
The Danny Craige Foundation.

The Danny Craige Foundation was recently founded to honor the legacy of one of our community's great men. Danny Craige was a long time resident of Holland, who recently passed away at the young age of 56 after a hard fought battle with esophageal Cancer. Danny's impact was felt throughout Northhampton Township community and beyond. He was the backbone of the St. Bedes CYO Basketball program for many years and a dedicated mentor to our area youth. Aside from his love and dedication to his wife and three girls, he enjoyed nothing more than turning a young group of boys and girls into upstanding young men and women. He taught the kids not only how to behave on the basketball court, but more importantly how to behave off the court as well. Before coming to St. Bedes, Danny was a long time coach and mentor at St. Martin of Tours, the Frankford Boys Club and Germantown Academy.

To continue his legacy of community involvement and spirit, a Foundation in his name has been established that will assist area children to achieve their educational goals. To date nearly \$80,000 has been given to area students as well as families in need in the community. Your support today helps continue that legacy and support to those in need.

Dear Friends:

We would like to announce our 4th Annual

BARBARA BELL-KELLY MEMORIAL GOLF OUTING. *As you all are probably aware, our mother was an amazing person. Not only did she commit so much of her time to her work, she committed even more time to her family and friends. She loved her family and friends unconditionally and we, her children, can never express fully how precious she is to us and how we always will be to her. It was in the most difficult parts of her life that her true strength, beauty and faith were apparent to all who knew her. We truly believe our mother is still with us and always will be. She is the shadow that follows us and the wind that blows through our hair and brushes our face. Our mother's generosity was great and although cancer took her from our physical sight and touch, nothing can ever take her from our heart and soul. Thus we ask you to join us for the 4th Annual Barbara Bell-Kelly Memorial Golf Outing.*

Thank you for your support!

The Bell-Kelly Family

James Donovan

Board of Directors of the Danny Craig Foundation

The Johnny Apples Restaurant Staff
